This restriction shall not, however, prevent the inclusion of permanent living quarters for domestic servants or to allow domestic servants to be domiciled with an owner or resident.

Building materials placed on Lots prior to commencement of improvements must be kept in a neat, clean and orderly condition. No materials may be placed on the street or between the curb and the property line.

During the construction and sales period of the initial Living Units, Builder Members may erect and maintain such structures as are customary in connection with such construction and sale of such property, including, but not limited to, a business office, storage areas, signs, model units, and sales offices. ARTICLE IV

ARCHITECTURAL CONTROL COMMITTEE

There is hereby created an Architectural Control Committee, initially composed of Trey Hallmark, Miles Prestemon and Gordon Best, to serve until their successors are named. A majority of the Committee may act for the Committee and no notice of any of its meetings shall be required. Subject to the terms hereinafter set forth, Declarant shall have the right to add members to the Committee and fill vacancies in the Committee membership and Declarant may assign such rights to the Association. In the event that all members of the ACC shall resign, and Declarant shall fail to appoint successors for a period of 30 days after the last to resign, then in such event, the Board of Directors of the Association may appoint the members of the ACC.

The Committee shall have the express authority to perform fact finding functions hereunder and shall have the power to construe and interpret any covenant herein that may be vague, indefinite, uncertain or capable of more than one construction. The Committee may also develop and promulgate policy guidelines and criteria used as standards in achieving the objectives of particular design problems frequently encountered in the Property. Members of said Committee and their representatives shall not be liable to any person subject to or possessing or claiming the benefits of these restrictive covenants for any claim or loss or damage whatsoever, including, without limitation, any claims for damage or injury to property or for damage or loss arising out of their acts hereunder. In the event of non-compliance with this Declaration, the Architectural Control Committee shall have the power to halt such work through legal means, the first step of which shall be written notice to the non-complying Owner of the property, and to require the resolution of such non-compliance prior to continuation of construction. The Architectural Control Committee shall not be entitled to any compensation for services rendered pursuant to this covenant but shall be entitled to be fully reimbursed for all amounts reasonable expended in the performance of their responsibilities.

No building, fence, or other structure or improvement shall be erected, placed or altered on any Lot in the subdivision until the plans and specifications, including exterior elevations and exterior colors and all exterior materials for such building, fence or other structure and showing the location of such building, fence or other structure, shall have been approved in writing by the Architectural Control Committee as to the quality of workmanship and materials and conformity and harmony of exterior design with existing structures in the subdivision and as to the location with respect to topography, existing trees and finished elevation. Within thirty (30) days after the Owner has submitted to the Committee all plans that the Committee may require ("Submitted Plans"), the Committee shall notify the Owner in writing whether the Submitted Plans are approved or disapproved. Any disapproval shall set forth the specific reason or reasons for such disapproval. In the event the Submitted Plans have not been approved or disapproved within thirty (30) days after being submitted, the Submitted Plans will be deemed to have been approved but such deemed approval shall not permit a violation of any of the terms of these covenants.

The Architectural Control Committee shall have the right, but not the obligation, to grant variances and waivers relative to minor deviations and infractions of this Declaration or to correct

Vol 6 701 PG 0955

or avoid hardships to Owners. The decision of the Architectural Control Committee shall be final and binding upon the applicant and other Owners.

The Architectural Control Committee shall be duly constituted for the entire period of duration of this Declaration. The Architectural Control Committee shall have the power to employ professional consultants to assist it in discharging its duties at the expense of the Association.

ARTICLE V

RESTRICTIONS ON LOTS

All Lots in the subdivision shall be used for residential purposes or as part of the Common Area. No residential building shall remain incomplete for more than six (6) months after construction has commenced. Temporary use may be made of a house for a builder's sales office, which shall be permitted until such house is sold, not to exceed thirty-six (36) months in total from time of completion, provided such use is approved in writing by Declarant.

Each Lot improved with a residence must include an attached or detached garage large enough to accommodate under roof a minimum of two (2) full-sized automobiles. No garage shall be permanently enclosed for conversion to any other use. Open carports are not permitted, unless special design circumstances warrant their use, in which case permission must be obtained in writing from the Architectural Control Committee. The term "residential purposes" as used herein shall have the meaning given to it in Article III, above.

ARTICLE VI

OUTBUILDING REQUIREMENTS

Every outbuilding, inclusive of such structures as a detached garage, storage building, gazebo, spa, greenhouse or children's playhouse, shall be compatible with the dwelling to which it is appurtenant in terms of its design and material composition. All such outbuildings shall be subject to approval of the Architectural Control Committee. In no instance shall an outbuilding exceed one (1) story in height, nor shall the total floor area of outbuildings other than a detached garage exceed ten percent (10%), individually or in the aggregate, of the floor area of the main dwelling.

ARTICLE VII

BUILDING MATERIALS

The exterior walls of all one-story residential buildings, and the lower story of all two-story residential buildings, shall be constructed with masonry, rock, stucco, brick, or brick and masonry veneer for 50% or more of the total exterior wall area, with at least the front and a portion of two sides being masonry. Window and door openings shall be included as masonry. Notwithstanding the foregoing, the Architectural Control Committee is empowered to waive this restriction, if, in its sole discretion, such waiver is advisable in order to accommodate a unique or advanced building

concept, design or material, and the resulting structure will not detract from the general appearance of the neighborhood. Wall materials used on all Lots shall be restricted to those types and colors as approved by the Architectural Control Committee.

Roofing shall be either slate, tile, factory fire-treated wood (if permitted by the City of San Antonio), tarnished metal with standing seams, or composition non-dimensional shingles provided that any composition roofing shall be three tab or more.

ARTICLE VIII

FENCES

No fence, wall or hedge shall be built or maintained forward of the front wall line of the main structure, not including decorative walls or fences which are part of the architectural design of the main structure, and which are not to be built or maintained nearer than the building setback line of any Lot, unless otherwise approved in writing by the Architectural Control Committee.

Fences constructed on a Lot parallel to a street adjoining the Lot shall be of the following three types:

- (1) wood slats not to exceed six inches (6") in width; or
- (2) all masonry which matches the house; or
- (3) a combination of simple wrought iron bars and matching masonry

All other fences shall be of the three types above described or shall be all wood composed of one inch by not more than six inches (1" X 6"), six feet (6') tall, vertical cedar or spruce planks, without gaps between planks, with the tops either level or notched "dog-ear" style.

Fences may be stained or painted to preserve the natural color of the wood. Fences may not be painted white or stained a harsh color such as redwood.

All wooden fences visible from a street shall be constructed facing the street and without any framing visible from the street.

The Architectural Control Committee is empowered to waive the aforesaid composition requirements for fences and the aforesaid height or setback limitation in connection with retaining walls and decorative walls if, in its sole discretion, such waiver is advisable in order to accommodate a unique, attractive or advanced building concept, design or material, and the resulting fence, decorative wall and/or retaining wall (whichever is applicable) will not detract from the general appearance of the neighborhood.

No fence, wall, or hedge or shrub planting which obstructs sight lines shall be placed or permitted to remain on any corner Lot within the triangular areas formed by the extension of curb lines and a line connecting them at points twenty-five feet (25') from the intersection of the extended curb lines into the street. No structures or landscape material over three and one-half feet (3-1/2') tall shall be allowed in this inscribed triangle.

ARTICLE IX

DRIVEWAYS AND SIDEWALKS

Driveways on each residential Lot must be constructed of brushed, finished concrete. All sidewalks constructed along Tavern Oaks shall be constructed of brush-finished concrete and shall be four feet (4') wide and shall be placed four feet behind the curb to facilitate safe pedestrian traffic in the Subdivision. All other sidewalks shall be a minimum of four feet (4') wide behind the curb and shall use brush-finished concrete. All other materials and finishes must be to City of San Antonio specifications and approved in writing by the ACC. Location, design and any decorative surface must be approved by the Architectural Control Committee. The driveway turnout shall be constructed to specifications of the City of San Antonio and in such manner as to provide an attractive transitional radius from the curb and gutter into the driveway entrance and shall prevent escape of drainage water from the street onto any Lots. Driveways and sidewalks must be shown on the site plan submitted for approval of the Architectural Control Committee. Asphalt driveways and sidewalks are specifically prohibited. All sidewalks, crossways, and driveway approaches shall comply with City of San Antonio specifications. Any concrete spilled, poured or washed on a street must be immediately removed leaving the street clean and unstained.

ARTICLE X

TEMPORARY STRUCTURES

No structure of a temporary character (sales structure, trailer, travel trailer, tent, shack, garage, barn or other outbuildings) shall be used on any Lot at any time as a residence, either temporarily or permanently. No trailer, camper, recreational vehicles, or similar vehicles shall at any time be parked in view from other properties or connected to utilities situated within a Lot. No dwelling previously constructed elsewhere may be moved onto any Lot in the subdivision controlled by these covenants. This covenant specifically includes mobile homes or the use of a mobile home in which the axle and wheels have been removed and placed upon a concrete slab, which said mobile home is hereby specifically prohibited as a residence, either temporarily or permanently, and further, specifically includes a mobile home upon which wheels have been left attached. Sales offices and construction offices used by the developer or builders are permitted but are subject to ACC approval as to number, type, location and ultimate use.

ARTICLE XI

SIGNS

No signs, banners, or pennants of any kind shall be displayed to the public view on any single-family residential Lot except one (1) professional sign of not more than nine (9) square feet advertising the property for sale or rent. Signs used by the developer or builders to advertise Lots or homes within the Property during the construction and sales period shall be permitted,

irrespective of the foregoing. Signs advertising subcontractors or suppliers are specifically prohibited. The sign may state only the name and phone number of the seller and/or the seller's agent. The Architectural Control Committee shall have control over the wording, design, appearance, size, quantity, and location of all signs. Except for sale or rental signs adhering to the standards of the first sentence of this Article, all signs within the Property shall be subject to the prior written approval of the ACC.

ARTICLE XII

MAINTENANCE OF LOTS

Grass, weeds and vegetation on each Lot shall be kept mowed at regular intervals. Trees, shrubs, vines and plants which die shall be promptly removed from the property and replacements of equal quality or value promptly installed. Lawns must be properly maintained and fences must be repaired and maintained and no objectionable or unsightly usage of Lots will be permitted which is visible to the public view. Building materials shall not be stored on any Lot except when being employed in construction upon such Lot, and any excess materials not needed for construction and any building refuse shall promptly be removed from such Lot. In the event of default on the part of the Owner or occupant of any Lot in observing the above requirements or any of them, such default continuing after ten (10) days written notice thereof, Declarant, or its assigns, or the Association, may, without liability to Owner or any occupants, but without being under any duty to do so in trespass or otherwise, enter upon said Lot, cut or cause to be cut, such weeds and grass and remove or cause to be removed, such garbage, trash and rubbish or do any other thing necessary to secure compliance with this Declaration, so as to place said Lot in a neat, attractive, healthful and sanitary condition, and may charge the Owner or occupant of such Lot for the cost of such work, plus a reasonable administrative charge and for reasonable attorney's fees. The Owner or occupancy, as the case may be, agrees by the purchase or occupancy of the Lot to pay such statement immediately upon receipt thereof. The sum due shall be a charge on the Lot and shall be a continuing lien upon the Lot against which such sums are due, and may be enforced as fully as if it were an unpaid annual or special assessment.

Until a home or residence is built on a Lot, Declarant may, at its option have the grass, weeds and vegetation cut when and as often as it determines the same is needed, and have dead trees, shrubs and plants removed therefrom. Declarant may also, at its option, remove any excess building materials or building refuse situated on a Lot in violation of this covenant. The Owner of any Lot shall be obligated to reimburse Declarant for the cost of any such maintenance or removal upon demand.

ARTICLE XIII

LANDSCAPING

All front yards and side yards, up to the "wing wall" (which is that fence or wall at the side yard that extends from the side of the house to the side property line), must be sodded or seeded within three months after occupancy of the house. Side yards on corner lots must be sodded the full length of the property line adjacent to the street. After sodding, all yards must be maintained

with grass or landscaping in a neat and well mown condition, free of unsightly weeds and overgrowth. Decorative ground cover rock in the front and side yard may be used in lieu of grass but may not exceed ten percent (10%) of the total area of the front and side yard. No oak, elm, or pecan trees larger than eighteen inches (18") in diameter may be removed without written ACC approval. EACH OWNER IS ADVISED THAT THERE ARE NO EXPRESS OR IMPLIED WARRANTIES AS TO THE LIFE EXPECTANCY, VITALITY OR FITNESS FOR INTENDED PURPOSE OF ANY TREES OR SHRUBS LOCATED ON THE PROPERTY.

ARTICLE XIV

VEHICLES

No trailer, motor home, tent, boat, recreational vehicle, travel trailer, or any truck larger than a one (1) ton pick-up or wrecked, junked or wholly inoperable vehicle, shall be kept, parked, stored or maintained on any portion of the front yard in front of the building line of the permanent structure nor shall any be kept, parked, stored or maintained on other portions of the Lot for a period more than twenty-four (24) hours, unless they are in an enclosed structure or in a screened area which prevents the view thereof from adjacent Lots and streets. No dismantling or assembling of an auto, trailer, motor home, tent, boat, recreational vehicle, travel trailer, any truck or other machinery or equipment shall be permitted in any driveway or yard adjacent to a street. ARTICLE XX

NUISANCES

No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. No Owner or occupant shall perform any work that will impair the structural soundness or integrity of another Living Unit or impair any easement or hereditament, nor do any act nor allow any condition to exist which will adversely affect the other Living Units or their Owners or residents. No exterior lighting of any sort shall be installed or maintained on a Lot where the light source is offensive or a nuisance to neighboring property (except reasonable security or landscape lighting that has

ARTICLE XXI

EASEMENTS

Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. Within these easements, if any, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities or, in the case of drainage easements, which may change the direction of flow of water through drainage channels in such easements. The easement area of each Lot, if any, and all improvements in such area shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority or utility company is responsible. All drainage on Lots must comply with the area grading plan attached as "Exhibit A."

VOL 6 701 PG 0962

ARTICLE XXIII

DRAINAGE EASEMENTS

Easements for drainage throughout the subdivision are reserved as shown on the Subdivision Plat, such easements being depicted thereon as "drainage easements." No Owner of any Lot in the subdivision may perform or cause to be performed any act which would alter or change the course of such drainage easements in a manner that would divert, increase, accelerate or impede the natural flow of water over and across such easements. More specifically and without limitation, no Owner or resident of a Living Unit may:

- (1) alter, change or modify the existing natural vegetation of the drainage easements in a manner that changes the character of the original environment of such easements;
- (2) alter, change or modify the existing configuration of the drainage easements, or fill, excavate or terrace such easements, or remove trees or other vegetation therefrom without the prior written approval of the Architectural Control Committee and the City of San Antonio Drainage Engineer;
- (3) construct, erect or install a fence or other structure of any type or nature within or upon such drainage easements;
- (4) permit storage, either temporary or permanent, of any type upon or within such drainage easements; or
- (5) place, store or permit to accumulate trash, garbage, leaves, limbs or other debris within or upon the drainage easements, either on a temporary or permanent basis.

The failure of any Owner to comply with the provisions of this Article shall in no event be deemed or construed to impose liability of any nature on the Architectural Control Committee and/or Declarant, and such Committee and/or Declarant shall not be charged with any affirmative duty to police, control or enforce such provisions. The drainage easements provided for in this Article shall in no way affect any other recorded easement in the subdivision.

ARTICLE XXIV

GARAGES

A garage able to accommodate at least two (2) full-sized automobiles must be constructed and maintained for each Living Unit. Garages on corner Lots must be set back at least fifteen feet (15') from the side Lot line and all garages must be set back at least twenty feet (20') from the front Lot line. No building or structure erected, altered or placed on, within or in the Property shall exceed thirty-five feet (35') in height (measured from the top of the foundation to the topmost part of the roof) nor be more than two and one-half (2-1/2) stories in height, provided however, that all applicable ordinances, regulations, and statutes with respect to the maximum height of buildings and structures shall, at all times, be complied with.

ARTICLE XXVI

- B. Two Story -- One Thousand Four Hundred (1400) Feet

ARTICLE XXVII

BUILDING SETBACKS

The minimum front and rear setback shall be twenty feet (20') for all structures unless otherwise approved in writing by the Architectural Control Committee. It should be noted that the Subdivision Plat allows a sixteen foot (16') front setback, except for garages which must be a minimum of twenty feet (20'). The rear setback shall comply with applicable City of San Antonio ordinances. Sideyards shall be a minimum of five feet (5') on each side unless otherwise approved by the Committee.

ARTICLE XXVIII

LOT CONSOLIDATION

Any Owner owning two or more adjoining Lots or portions of two or more such Lots may, with the prior approval of the Architectural Control Committee, consolidate such Lots or portions thereof into a single building site for the purpose of constructing one residence and such other improvements as are permitted herein, provided, however, that no such building site shall contain less than six thousand (6,000) square feet of land. Any consolidated Lot shall comply with all lawful requirements of any applicable statutes, ordinances or regulations. On application by an Owner, the Board of Directors may adjust the assessments on a consolidated Lot to an amount not

less that the full assessment rate for a single Lot. Absent such adjustment, a consolidated Lot shall bear the full assessment rate theretofore applicable to all Lots which are consolidated.

ARTICLE XXIX

ADDITIONS

Declarant may bring within the scheme of this Declaration, and the jurisdiction of the Association, additional properties lying within the area depicted or described on "Exhibit B" attached hereto, through the execution and filing of a Declaration of Restrictions or other instrument reflecting such intent. The declaration of restrictive covenants for such properties may contain such modifications as are necessary to reflect the different character of the added properties. Property other than that described or shown on "Exhibit B" may be annexed to the jurisdiction of the Association only with the consent of a majority of both classes of Members at a meeting duly noticed for such purpose.

ARTICLE XXX

ENFORCEMENT

The failure of any Owner or tenant to comply with any restriction or covenant will result in irreparable damage to Declarant and other Owners of Lots in the Subdivision; thus the breach of any provision of this Declaration may not only give rise to an action for damages at law, but also may be made the subject of an action for injunctive relief and/or specific performance in equity in any court of competent jurisdiction. In the event enforcement actions are instituted and the enforcing party recovers, then in addition to the remedies specified above, court costs and reasonable attorney's fees shall be assessed against the violator.

In addition to the remedies for enforcement provided for elsewhere in this Declaration, the violation or attempted violation of the provisions of this Declaration, or any amendment hereto, or Rules and Regulations promulgated by the Board of Directors, by an Owner, his family, guests, lessees or licensees shall authorize the Board (in the case of all of the following remedies) or any Owner (in the case of the remedies provided in (d) below), to avail itself of any one or more of the following remedies:

- (a) The imposition of a special charge not to exceed Fifty (\$50.00) Dollars per violation, or
- (b) The suspension of Owner's rights to use any Association property for a period not to exceed thirty (30) days per violation, plus attorney's fees incurred by the Association with respect to the exercise of such remedy, or
- (c) The right to cure or abate such violation, including the right to enter any Lot upon which such violation exists without liability for trespass, and to charge the expense thereof, if any, to such Owner, plus attorney's fees incurred by the Association with respect to the exercise of such remedy, or

VOL 6701 PG 0965

(d) The right to seek injunctive or any other relief provided or allowed by law against such violation and to recover from such Owner all its expenses and costs in connection therewith, including, but not limited to attorney's fees and court costs.

Before the Board invokes the remedies provided in subparagraphs (a), (b), (c), and (d) above, it shall give written notice of such alleged violation to Owner, and shall afford the Owner a hearing. If, after the hearing, a violation is found to exist, the Board's right to proceed with the listed remedies shall become absolute. Each day a violation continues shall be deemed a separate violation. Failure of the Association, the Declarant, or of any Owner to take any action upon any breach or default with respect to any of the foregoing violations shall not be deemed a waiver of their right to take enforcement action thereafter or upon a subsequent breach or default.

All charges assessed against an Owner shall constitute a continuing lien upon the Lot of such Owner as fully as if such charge were an unpaid annual or special assessment.

ARTICLE XXXI

ATHLETIC FACILITIES

Tennis court lighting and fencing on residential lots shall be allowed only with the approval of the Architectural Control Committee. Basketball goals, or backboards, or any other similar sporting equipment shall not be placed in the subdivision without the prior written consent of the Architectural Control Committee. The Architectural Control Committee shall have the authority to establish guidelines for the placement and design of basketball goals and no basketball goal shall be kept or maintained within sight of any street except in accordance with any such guidelines established.

ARTICLE XXXII

AMENDMENT

This Declaration shall remain in force and effect until January 1, 2014, at which time, and each tenth anniversary thereafter, this Declaration shall be automatically renewed for a period of ten years unless 75% of the Owners of Lots shall file a written agreement to abandon same. This Declaration may be amended by written instrument executed by the Owners of seventy-five percent (75%) or more of the Lots, provided that no amendment prior to January 1, 2014, shall be effective until approved and executed by Declarant and filed of record in the Official Public Records of Real Property of Bexar County, Texas. Notwithstanding the foregoing, Declarant shall have the right to file an amendment to this Declaration, without the necessity of joinder by any other Owner of Lots, or any interest therein, for the limited purposes of correcting a clerical error, clarifying an ambiguity, or removing any contradiction in the terms hereof.

VOL 6701 PG 0966

ARTICLE XXXIII

VA APPROVAL

Absent Declarant's written waiver, then for so long as the Declarant, its successors and assigns, have a controlling vote of the Association, the following actions will require the prior approval of the Veterans Administration: (a) annexation of property other than as shown on "Exhibit B" hereto; (b) dedication of Common Area; and (c) amendment of this Declaration other than pursuant to Article XXXII hereof.

ARTICLE XXXIV

MEMBERSHIP IN THE ASSOCIATION

Every person or entity who is a record Owner of a fee or undivided interest in any Lot which is subject to the jurisdiction of and to assessment by the Association shall be a member of the Association, provided, however, that any person or entity holding an interest in any such Lot or Lots merely as security for the performance of an obligation, shall not be a member.

ARTICLE XXXV

VOTING RIGHTS

The Association shall have two classes of voting membership.

Class A. Class A Members shall be all those owners as defined in Article XXXIV above with the exception of Declarant. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for membership by Article XXXIV. When more than one person holds such interest or interests in any Lot, all such persons shall be members, and the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any such Lot.

Class B. The Class B Members shall be Declarant and Builder Members. The Class B Members shall be entitled to three votes for each Lot in which they hold the interest required by Article XXXIV above, provided that the Class B membership shall cease and become converted to Class A membership on the happening of the following events, whichever occurs earlier:

(a) when the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership; or

(b) On January 1, 2014.

From and after the happening of these events, whichever occurs earlier, the Class B member shall be deemed to be a Class A member entitled to one vote for each Lot in which it holds the interest required for membership.

ARTICLE XXXVI

COVENANTS FOR MAINTENANCE ASSESSMENTS

Declarant, for each Lot owned by it within the Property, hereby covenants, and each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; and (2) special assessments for capital improvement, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as are hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time the obligation accrued.

The assessments levied by the Association shall be used for the purpose of promoting the recreation, health, safety and welfare of the Members, and in particular, for the improvement, maintenance and operation of the properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Property by the Members.

The annual assessment for both improved and unimproved Lots shall be determined by the Board of Directors in the manner provided for herein after determination of current maintenance costs and anticipated needs of the Association during the year for which the assessment is being made. The initial annual assessment for an improved Lot shall be prorated for the remainder of the calendar year in which begun if begun on other than January 1. The annual assessment for unimproved lots shall be one-fourth (1/4) of the annual assessment for improved lots. The maximum annual assessment for improved Lots and annual assessments for unimproved Lots may be increased by vote of the Members as provided hereinbelow. A Lot shall be deemed to be an "improved Lot" when construction of a Living Unit hereon is completed and closing of a sale thereof has taken place, or when the Living Unit is occupied as a residence, whichever first occurs. As provided in Article XXVIII above, the Board of Directors shall have the power to adjust assessments on consolidated Lots.

In addition to the annual assessments provided for above, the Association may levy, in any assessment year, a Special Assessment on improved Lots only, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement on or which is a part of the common Facilities, provided that any such assessment shall have the assent of two thirds (2/3) of the votes of the improved Lot owners who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all improved Lot owners at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Subject to the limitations stated above, the annual assessment may be adjusted by majority vote of the Board of Directors but shall not be increased by more than ten percent (10%) above that of the previous year without a vote of the membership. Any increase in the annual assessment

of more than ten percent (10%) above that of a previous year shall require approval of two-thirds (2/3) vote of each class of Members voting at a meeting duly called for that purpose.

The quorum required for any action authorized hereinabove shall be as follows: At the first meeting called as provided above, the presence at the meeting of Members or proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth above, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting, provided that such reduced quorum requirement shall not be applicable to any such subsequent meeting held more than sixty (60) days following the preceding meeting.

The annual assessments provided for herein shall commence as to all Lots on such date as may be determined by the Board of Directors of the Association. The assessments for each calendar year shall become due and payable and shall be collected as the Board of Directors of the Association shall determine. The amount of the annual assessment shall be an amount which bears the same relationship to the annual assessment established by the Board of Directors as the remaining number of months in that year bear to twelve. When a Lot becomes an improved Lot, there shall be payable as of the first day of the month following the month when it becomes an improved Lot a sum equal to the difference between the annual assessment for unimproved Lots and the annual assessment for improved Lots, prorated over the balance of the year then remaining. The due date of any special assessment under the provisions hereof shall be fixed in the resolution authorizing such assessment.

In December of each year, the Board of Directors of the Association shall fix the amount of the annual assessment against each Lot for the following year and shall at that time prepare a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner on reasonable notice. Written notice of the assessment shall thereupon be sent to every Owner subject thereto. The Association shall upon demand at any time, furnish to any Owner liable for said assessment, a certificate in writing, signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eighteen percent per annum or the maximum contractual rate allowed by law, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Property, and interest costs and reasonable attorney's fees for any such action shall be added to the amount of such assessment. Each such Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the Association, or its agents, the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including nonjudicial foreclosure. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

ARTICLE XXXVII

SUBORDINATION OF THE LIEN TO MORTGAGES

The lien of the assessments provided for herein shall be subordinate to the lien of any valid purchase money or construction mortgage. Sale or transfer of any Lot shall not affect the assessment lien; however, the sale or transfer of any Lot, pursuant to such valid mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof.
